

CERTIFICATE

Number: 2186604

The Safety Management System of the organizations and locations mentioned on the addendum belonging to:

SPIE Nederland B.V.

Huifakkerstraat 15
4815 PN Breda
The Netherlands

including the implementation meets the requirements of the standard:

VCA** 2017/6.0

Scope:

The construction and installation of industrial plants, automations and complete electrical installations and providing technical solutions in the disciplines of process and electrical technique (high/low voltage and high current), automation & IT and mechanical construction for the industry, utilities and infra market (including inspections in explosive atmospheres) and detaching of staff for maintenance organizations for repair of machinery and for production lines.

NACE-code: 4320

Certificate expiry date: 1 January 2026
Certificate effective date: 1 January 2023
Certified since*: 6 June 1997

This certificate is valid for the organizations and locations mentioned on the addendum.

DEKRA Certification B.V.

B.T.M. Holtus
Managing Director

S. Dieperink
Certification Manager

© Integral publication of this certificate and adjoining reports is allowed
* against this certifiable standard / possibly by another certification body.

ADDENDUM

To certificate: 2186604

The Safety Management System of the organizations and locations of:

SPIE Nederland B.V.

Huifakkerstraat 15
4815 PN Breda
The Netherlands

Certified organizations and locations:

SPIE Nederland B.V.
Huifakkerstraat 15
4815 PN Breda

SPIE Nederland B.V.
e-efficient buildings - Healthcare
De Brauwweg 74-82
3125 AE Schiedam

SPIE Nederland B.V.
e-efficient buildings - ICT Connectivity
De Brauwweg 74-82
3125 AE Schiedam
